Teachers and Staff...

In celebration of Teacher Appreciation Week 2019, I would like to thank each of you for your hard work throughout the course of the year. Despite the many challenges we have faced this year, the dedication you have demonstrated continues to shine through and is evident in the success of our RHMS students. Thank you for investing in our future! Please enjoy the following schedule:

Monday: WE "DONUT" KNOW WHAT WE WOULD DO WITHOUT YOU! Enjoy a doughnut!

Tuesday: "TACO" BOUT some GREAT TEACHERS! Enjoy a breakfast taco!

Wednesday: "WONDER" WHO'S THE BEST? YOU ARE! Enjoy a superhero lunch!

Thursday: WE COULDN'T HAVE "PICKED" BETTER TEACHERS! Enjoy some fresh fruit.

Friday: "BAR NONE" YOU'RE THE BEST TEACHERS AROUND! Create your own high power yogurt parfait at our yogurt bar!

Teachers...

Be reminded that Progress Reports go out this Wednesday. Grades are due Monday no later than 9:00 a.m. Please submit failure call logs to Mr. Moreno by Friday, May 10th. Failure logs must mirror your parent contacts.

Teachers...

An email was sent out on Friday referencing upcoming mandatory professional development for core area teachers during the month of May. Please ensure you read the information and register for your respective TEKS Resource System workshops. We are already in the process of obtaining substitutes to cover classes. The May calendar also indicates upcoming training to be provided for our new Pearson ELAR adoption. Please note those dates are still tentative and subject to change.

Teachers...

Our 2018-2019 RHMS Academic Awards Night is scheduled for this Friday evening at 6:00 p.m. in the gymnasium. We will be recognizing our fifth through eighth grade students whom you have identified earning merit and recognition. Your presence and assistance at the ceremony is expected. This is an excellent opportunity for us to show our parents that we must and will continue working together for the success of all our students. Thank you in advance once again for going above and beyond in making RHMS shine!

Pride of the Week

Our PRIDE of the week goes to our Rio Hondo Middle School Nurse, Mrs. Leslie Villarreal! Nurse Villarreal does a phenomenal job promoting good health and educating staff in order to ensure a healthy and safe learning environment for all our students. In addition to Teacher Appreciation Week, this week is also National Nurses Week. Please take a moment to thank Nurse Villarreal for her dedication and service to the students and staff at RHMS!

"School climate is how we speak to a child when their parent is present. School culture is how we speak to a child when nobody is around." @justintarte

"Don't ever stop believing you can be the change. The kind of change that when you look into the eyes of a student, teacher or principal whose inner voice is saying, "I don't think I can do this" your eyes, your voice, your actions say, "Yes you can!" #Culturize @casas_jimmy
