

Robotics Club Bobcats 3700

2 / 21 / 12

Thank you for the companies that sponsor us: The Texas Workforce Commission, Jcpenney, and PTC for helping out the Rio Hondo High School Robotics.

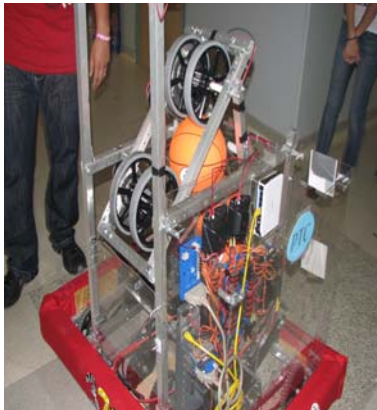

FRC Robotics

The Rio Hondo Robotics team are getting ready to go to their second competition of the year. They have been working hard to go to the regional event next week on Thursday March 1, 2012 with their amazing Robot. They hope to do their best in this competition.

The Robot that we made shoots out basketballs from the middle in order to make it in the hoops at Rebound Rumble Competition.

FIRST® Robotics Competition

Thank you for all the members and sponsors that help with the Robotics team.

This picture was taken in the robotics work room.

The robotics members showing the Elementary students their Robot. 2/17/12

Testing the Robot afterschool.
