RIO HONDO MIDDLE SCHOOL

Mr. Moreno's Desk

Week 5: September 9, 2019

Teachers...

Hard to believe...but this Friday will mark the end of the first three weeks of instruction. You're grade books must be up-to-date with a minimum of four minor grades and two major grades that will be reported to parents via progress reports. Progress reports will be issued out on Wednesday, September 18, 2019. Failure reports will be generated on Monday, September 16, 2019. Your class failure logs should mirror your parent contact logs. Parents should never be surprised to find their child is failing, if communication is occurring as expected. Parent contact logs are due to Mr. Moreno no later than the end of the day on Friday, September 20, 2019.

Teachers...

I have emailed all staff the 2019-2020 RHMS Activity calendar. Please make note of any upcoming Planning for Mastery TEKS Resource System professional development sessions scheduled for your respective departments. You will be required to register for these sessions on the Region One Website and submit absence from duty reports in a timely manner. Miss Bianca Sanchez, RHMS receptionist has already been provided with the workshop dates and is in the process of obtaining substitutes. Please ensure substitute folders and attendance rosters are readily available for your substitutes.

Teachers...

Your T-TESS Goal should be completed and submitted via Frontline no later than Friday, September 20, 2019. You may submit your goal via www.mylearningplan.com. Teachers new to our campus/district needing further clarification or additional assistance may refer to your department head and/or your respective T-TESS administrator. Also, be reminded that walkthroughs may be conducted and cumulative data may be obtained on any day and at any time throughout the school year.
