Dear Rio Hondo Elementary School Families,

We are excited to inform you that Rio Hondo Elementary and Intermediate will be merging to become one campus family in August 2019. We will be located at the Rio Hondo Elementary campus, 700 N. Reynold Street, across the street from the original Bobcat Football Stadium. We are thrilled about the opportunities this will bring our students, some of which include a music program with a certified music teacher, a character education curriculum taught by our school counselor and new behavior strategist, a new P.E. curriculum with brand new P.E. equipment and our one to one tablet initiative paired with MyOn (online books) which will continue to allow students to have books at their fingertips in an effort to support and develop the love of reading in our students. There is so much in store for our students and families next year! We are looking forward to working with you and your child and can't wait to see you in the fall. Please be sure to stay connected to *rhisd.net* for future announcements or call (956)748-1050 if you have any questions.

Thank you in advance for your support. Have a safe and restful summer.

Sincerely,

Annette Jaramillo, Principal
